THE VALUE OF CONSULTANCY

COMMUNICATING ENVIRONMENTAL PERFORMANCE 2024

CASA ÁLVAREZ, in its commitment to environmental protection, has decided to be certified by AENOR according to the UNE-EN ISO 14001:2015 standards.

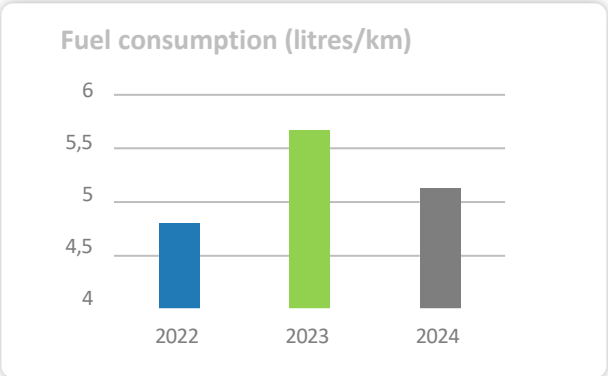

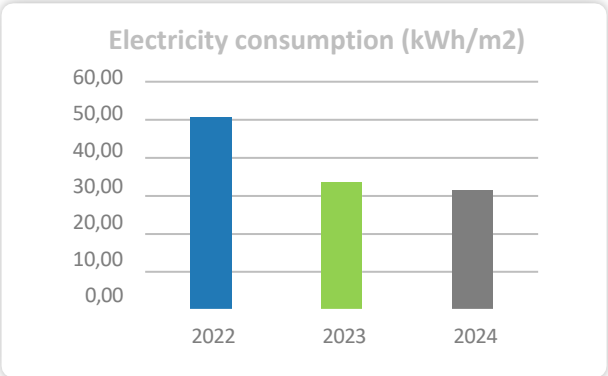

The implementation of these systems in the organisation has helped to improve our environmental performance on an annual basis by setting a number of improvement targets.

In this document we present the most relevant information on the efforts made to improve our environmental performance, and the results obtained in the year 2024.
